While trying to provide an extra context about how and where to acquire spectable items, Kaiyoko gathered many of  
these fashion reports on the FFXIV Subreddit every week. The dyes, on the other hand, are often sold by the NPCs in the markets of the Train Main Cities. By clicking the names of the items, you will be redirected to the GameresCape website to check how to get the item in question. FFXIV Fashion Report: Easy 80 points for the weekend of April 15,  
2022, as mentioned above, is another extremely fancil week in the FFXIV Fashion Report game! Players of no 60 who have already completed the mission à e øThe greatest refreshment only need a pair of free adventurer boots. The fashion report is a weekly event held at The Gold Side in Final Fantasy XIV (Online). Also Flexible, depending on even  
where you are on the mission of the main scenario and what kind of currency you are willing to spend. The correct color of the dye (for example, gray, white, black, etc.) adds a ba'nus from a point per slot; Find the right tone of dye within these colors (for example, blue ice, chocolate brown, etc.) is worth two points per slot. You really do not need  
them anyway. This will give you at least a basic minimum number of fashion relative points on all "really" slots! Also do not include soul crystals, then do not worry about any work you have equipped. Finally, you can submit to judge S Fridays at 1:00 in the morning, PT / 4:00 A.m. et. FFXIV Fashion Relatório Percunto - The Basic FFXIV Fashion is an  
important aspect of the game, and is why the development team introduced the fashion report. The themes named for each piece are repeatable, which means that the clothes needed for certain topics of gears is predefined and can rotate again later. As for which the dyes obtained extra points in this fashion report this week, be sure to use the  
following: dark weapon (MOG station) heads à e "Black Gunmetal (Firmamento) Gloves - Gobbebag Brown (Goblin Tribe Shopping) Legs à e e" Purple Dark Purple (MOG Station) - Ruby Red (Firmament) Most of this week tinge options are really very expensive. And there you have it! This should begin you in the FFXIV fashion report this week. I  
do not recommend buy them just by the challenge, however. Even if you can reach the 80 points this week without coloring, it's worth doing for future FFXIV fashion reporting checks. Fashion Report Guide à e à e 22-26 April 2022 teorycrafting by @kaiyokostar Note! Remember that even if the examples below have only a few items Necessary to  
hit the theme), you will need to fill in all equipment slots to obtain the indicated score! How to score 100 points (\*) = any legs and moms of moms The category, for any war/magic discuse, is accepted. Masked Rose, the judge, is located on the gold disk (X: 7.2 Y: 7.4), next to the Kasumi store. After the fashion report is unlocked, you may participate  
every week and unlock all related rewards. This week's trunk slot is dominated by gold saucer items (in other words: anything you can buy with MGP from the claim in the own DISC DISC). You can cultivate you yourself, it is of course, but it consumes time and a pain. In addition, accumulating points in the fashion report also unlocks access to some  
rewards in the Kasumi store (which can be found directly alongside rose masked), some of which are very popular fashion items, such as the background of spring. At least while you are at no 60 or higher. You can also create them as a leather worker 56. This is because most dyes are terribly cheap and accessible, while many people of clothes are  
expensive - or at least require high rows in creation work to create. From this you can increase your score by combining the categories established by the judge of the fashion report in each of the slots that are fearful (ie, named), in addition to adding certain dyes. Although you need to be in the 60s and/or trust the gauntly random drops for most of  
them. You can complement this with a sphere choker, which you can buy for a 1,817 NPC Stilas Gil. This unlocks in the noisy 15. You can start it in no 15 as any class talking to Swyrgem in western Thinalalan (X: 12.6, Y: 14.3). As such, they tend to be quite expensive. To get a good MGP pedajão, you are only 80 points and always high in the fashion  
report using the right glamor every weekend. The cate Recommended Best Men N / A Feet Dragonskin Boots N / A for future reference, Dymongers selling cheap dyes include: Alarc - Ancient Gridania (X: 14.3, Y: 8.8) Nanabe - Ulà e à, Thal Steps (X: (x: Y: 11.0) UMYNRAEL - LOMENSA LOMENSA DEKS LOWER (X: 6.0, Y: 12.3) FRHE - ISHGARD,  
THE PILLAS (X: 6.0, Y: 9.9) TOKOHANA - Hingishi, Kugane (X: 12.9, Y: 12.2) How it is always the case, you must first complete the "coloring your world" mission to apply dye to FFXIV. For example, there is also the best man's jacket. The trial will start each week on Friday 12:00 (PST) / 13:00 (PDT). It is possible to perform this challenge at all four  
times a week between Friday and in the following will be before a new theme is decided. It is quite expensive at 18,000 gil, but at least it does not cost MGP. Use this for your advantage and negotiate information with other adventurers to improve your results in subsequent attempts. Receive 10,000 mgp for participating in the fashion report. Like a  
final note, glamor work. How to unlock the fashion report the fashion report is accessible so you reach the 15 15 and unlock the gold album. I don't recommend them about the adventurer boots much more fanciful and/or cheaper if it is not a problem. Business tips with adventurous colleagues, then you are going to evaluate the mysterious Rose  
Masked! Requirements for Fashiononthempeak with Masked Pink in Golden Dir (X: 7.2 Y: 7.4) To know which theme he attributed to the fashion report. Thank you so much for your precious support! The fashion report challenges the visitors of Golden Pires to create their best ensemble. If you look for items like this, dedicate yourself to the fashion  
report every time you have the chance to buy these exclusive peans. Of course, you want to have your best for all new players who come back, come to Manderville Gold -Dars to get an assessment of your clothes. The way this mathematical works You should only need a corresponding item and two corresponding dyes or two matching items with zero  
dyes. In addition, those who continue to participate in these challenges will have access to Kasumi boutique, which contains unique items. \* The activities for participation and to mark eighty points or more can be obtained only once week. Buy in den Wolves pun for only 125 of PVP currency. Dragonskin boots are a much smaller level option available  
on the market plate. FFXIV fashion report tips for this week this week, assuming that you are on the level 60, all that you need are of two cheap pieces that are kind of acquiring. Sometimes, it is Benà © keep the old fashioned fodder for this purpose. Special thanks to the impartible star of Kaiyoko (R / Kaiyoko). At this point, all that you need to do  
is talk to Lewena on the gold album (X: 4.8 Y: 6.1), which will assign the Mission à e e " - Passion for Fashion". Some of You can already have one of these tops. The judgment ends again in the next third-sound (when the theme is redefined). As such, I do not recommend the use of dye this week. Firmamentos of the firmament, purchased For the  
SkyBuilders script, they can cost tens of thousands of Gil on the market plate. Use the dye to increase your score in the fashion report is usually easier than combining each category of item perfectly. Combine The correct category of clothes with the weekly theme wins until a maximum of 100. Speaking of game: This is one of the themes this week to  
help them get 80 points! The so-called "" the punctuan Of the fashion report that provides the maximum reward it is mercifully easy this week in general. After this point, the theme of fashion s It is updated every week to the tesas-trees at 13:00 en / 4:00 am. We arrived at Patch 6.1 and the Final FXIV Fashion Fashion For April  
15, 2022! It comes as we entered into new (and new) adventures. Kaiyoko also provides more details Details to get 100 points for the associated achievement. They are located in UL 'Dah on the steps of Thal (X: 10.0, Y: 12.5). You can buy it from the NPC Rianne, also found in UL 'Dá, but on the steps of Nald (X: 9.8, Y: 9.0). Although the score works  
technically until 100, the requirement of 80 points is what you need to receive the maximum nomer of MGP at each event.
